COVID-19 Vaccines & Testing for
Agricultural Workers

Who can get vaccinated?

Everyone ages 6 months and older can get a COVID-19 vaccine.

You do NOT need to be a U.S. citizen or have health insurance to get vaccinated.

I had my vaccine. Can I get a booster?

All people ages 5 and older can get a booster shot to maintain protection.

When can I receive my booster?

- At least **2 months** after the first **Johnson & Johnson** shot
- At least **5 months** after the **Pfizer** or **Moderna series**

How can I make a vaccine appointment?

For help finding a nearby appointment, you can:

- Check https://myturn.ca.gov or call (833) 422-4255
- Call your doctor or local pharmacy.
