

STD TESTING – CLINICS IN SANTA CRUZ COUNTY

- **GET YOURSELF TESTED!** See your primary provider for STD testing. If you don't have a provider or health insurance, other local resources are listed below. Contact clinics directly for more details.
- Low-income? You may qualify for **Family Planning, Access, Care, and Treatment (Family PACT)** which is California's approach to provide comprehensive family planning services to eligible low income (under 200% federal poverty level) men and women. Learn more at www.familypact.org
- Don't want your parents to know? Anyone 12 years of age and older has the right to get tested and treated without parental consent (and get birth control!). Search "California Teens" at www.aclunc.org to learn more. Plus, you automatically qualify for free services through Family PACT.
- If you need treatment, many clinics will give you treatment to take to your sexual partner. Remember to ask for this service!
